

WATERFALL TOPPING APPLICATOR – TRUTOP ULTRA

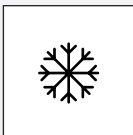

HIGH PERFORMING, UNIFORM TOPPING
APPLICATION IN A COMPACT FOOTPRINT

COMMON FOOD APPLICATIONS

Cheese

IQF Ingredients

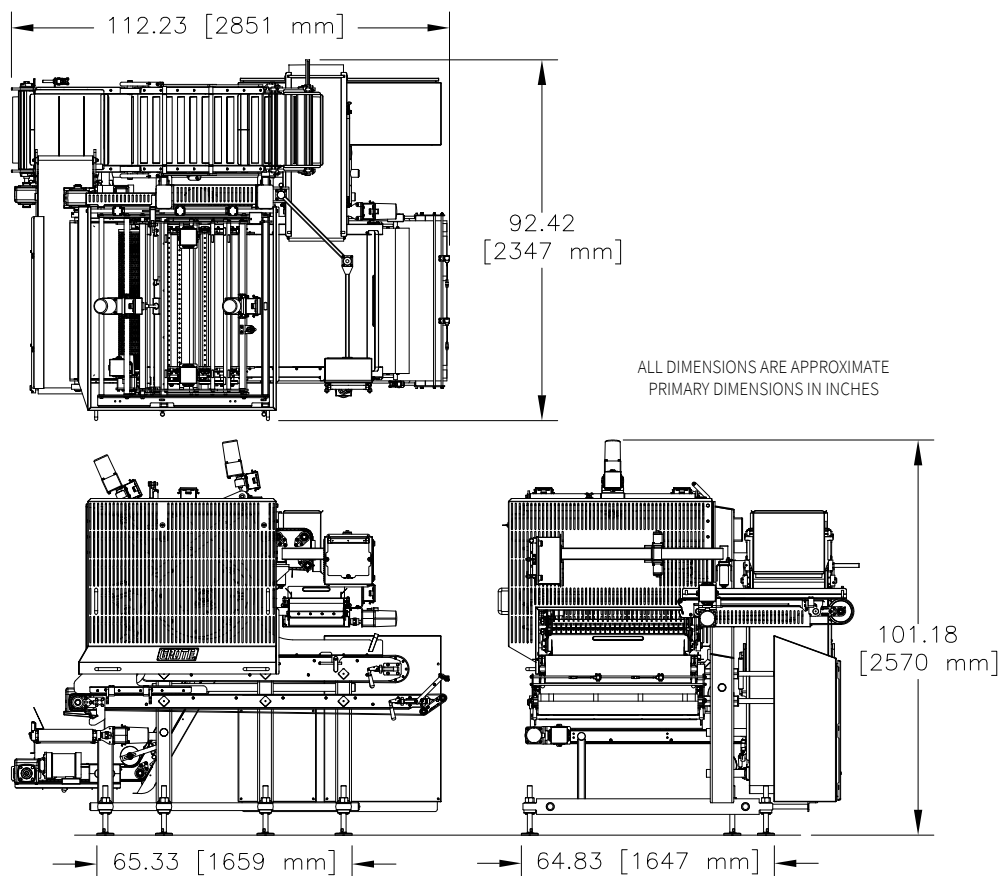

Pizza

The TruTop Ultra Waterfall Topping Applicator evenly applies shredded cheese, dry ingredients and individually quick frozen (IQF) meats and vegetables onto your pizza line. It's designed for maximum efficiency and performance, all within one of the most compact footprints in the industry. The Waterfall's recipe-driven control system allows you to preset menus that automatically tailor settings like rake and flicker height and speed, with a tap of a screen. Sanitation is a breeze with easily removable belts, gas strut-powered vertical lift guard door and stainless steel features.

- Compact footprint with tightly integrated three-belt recirculation system and one piece vertical lift guard door
- Recipe-driven control system adjusts settings automatically – reducing changeover time, increasing efficiency and throughput
- Sanitary design with open frame and tool-free removable parts and belts allows for quick, thorough cleaning and maintenance
- Easy-to-use, swivel-mounted touch screen panel provides flexibility and quick selection of a variety of functions
