**FPSA MEMBERS ELECT BOARD MEMBERS AT ANNUAL MEETING**

**McLean, VA** – The Food Processing Suppliers Association (FPSA) elected new Board members on March 10, 2010, at their Annual Conference in Cancun, Mexico.

Scott Scriven (Weber, Inc.) takes the helm as Board Chair, while Barry Shoulders (Packaging Technologies) moves to Immediate Past Chair after two years in the Chairman’s position. Other members of the 5-person Executive Board include David Camp (Key Technology, Inc.) as Vice Chair, Eugene Teeter (Meyer Industries, Inc.) as Treasurer and Jeff Dahl (JBT FoodTech) as the At Large member.

“I’m excited about the future of the Association,” said Mr. Scriven when accepting his nomination. “Our members represent the backbone of the food industry by providing the equipment and services that are crucial to the safe and efficient production of food products. Our Board consists of key executives throughout the food equipment industry who are dedicated to help members gain maximum business value through membership in FPSA.”

Mr. Scriven continued, “I want to especially thank Ashley Hunter of Odenberg Engineering Inc. and Gunther Brinkman of Norse Dairy Systems. Both are longtime and loyal members of the FPSA Board and have completed their board terms this year. Their passion for the industry and great insights has helped elevate the quality of membership at FPSA. It’s been a privilege working with them.”

The full Board consists of 20 respected leaders from within the Food and Beverage industry, as listed below:

### About FPSA

The Food Processing Suppliers Association (FPSA) is a global trade association serving suppliers in the food and beverage industries. The Association's programs and services support member's success by providing assistance in marketing their products and services, overall improvement in key business practices and many opportunities to network among industry colleagues. Programs and services to achieve these objectives include PROCESS EXPO (industry leading trade show), electronic media marketing, education, market intelligence, research, and advocacy of critical industry issues such as food safety, sanitary design of equipment, and global trade.

FPSA members are organized in vertical industry councils which focus on specific needs and concerns that are unique to each industry sector. FPSA councils currently represent the *Bakery, Beverage, Dairy, Fruits & Vegetable and Meat sectors*.
